

## 6.2.1 The institutional Strategic plan is effectively deployed.

# DEV SANSKRITI VISHWAVIDYALAYA

Dev Sanskriti Vishwavidyalaya (DSVV), located in Haridwar, Uttarakhand, India, is a unique educational institution that combines modern education with traditional Indian spiritual values. Established in 2002 under the guidance of Pandit Shriram Sharma Acharya, the university aims to produce well-rounded, morally upright individuals equipped to contribute positively to society. DSVV is recognized by the University Grants Commission (UGC) and sponsored by the Shri Vedmata Gayatri Trust, Shantikunj

The university's mission is to integrate contemporary education with spiritual training, fostering graduates who are not only knowledgeable but also spiritually and ethically grounded. DSVV emphasizes a confluence of traditional education with scientific and spiritual teachings, aiming to create citizens who are devoted, learned, and imbued with nationalistic and humanitarian values

DSVV offers a wide range of undergraduate, postgraduate, and doctoral programs across various disciplines, including Human Consciousness and Yogic Science, Psychology, Indian History and Culture, Theology, Computer Science, Animation, Holistic Health, Tourism, Mathematics, and more. The university also provides specialized programs in Vedic sciences, sustainable living, and environmental science. This diverse curriculum ensures that students receive a holistic education that prepares them for various professional fields while nurturing their spiritual and ethical development.

The campus of DSVV is designed to support a comprehensive educational experience, featuring modern facilities such as lecture theaters with ICT capabilities, laboratories, libraries, auditoriums, sports and gym centers, and health amenities. The university also has unique features like a Yagyashala (a place for Vedic rituals), herbal gardens, a gaushala (cow shelter), and a multi-modal polyclinic. It offers residential facilities for students and staff, ensuring a cohesive community environment conducive to both academic and personal growth

One of the distinctive aspects of DSVV is its internship program, which is mandatory for all courses. This program ensures that students apply their academic knowledge in real-world settings, gaining valuable career experience and making professional contacts. Additionally, the university supports students from economically disadvantaged backgrounds by offering fellowships and scholarships, making education accessible to all.

DSVV is also notable for its international collaborations, partnering with over 35 educational institutions worldwide. This global outreach enhances the educational quality and broadens the spiritual and cultural horizons of its students (Dev Sanskriti). Through its comprehensive approach to education, Dev Sanskriti Vishwavidyalaya remains committed to fostering a global cultural and spiritual renaissance, staying true to its motto of "A University for the Global, Cultural & Spiritual Renaissance".

### **Vision & Mission**

Unite contemporary education with spiritual training to cultivate well-rounded, competent and personally uplifted graduates, who possess a scientifically grounded understanding and experience of spiritual transformation and a powerful drive to use their gifts to promote the greater good of society.

### **The Mission of The University Is As Under**

The motto statement of the University is hence aptly framed as 'A University for the Global, Cultural & Spiritual Renaissance'.

1. Confluence of traditional education with science and spirituality
2. Creation of devoted, righteous and learned students
3. Infusion of scientific spirituality into life style
4. Creation of citizens well-endowed with nationalistic ideals
5. Guiding future leaders by developing human values and oneness towards all.
6. Conducting conventional research in non-conventional disciplines.

Dev Sanskriti Vishwavidyalaya (DSVV) has articulated its strategic plans with core strategies that drive its mission of integrating modern education with traditional Indian spiritual values. These strategies focus on the following key areas:

### **Interdisciplinary Research and Academic Excellence:**

DSVV places a strong emphasis on fostering interdisciplinary research that bridges various fields of study, blending scientific inquiry with spiritual and traditional knowledge. This approach aims to produce academic excellence by encouraging innovative research that addresses contemporary issues with holistic solutions. The university supports a wide range of disciplines, including human consciousness, yogic science, environmental science, computer science, and more, ensuring that students receive a well-rounded education that is both academically rigorous and spiritually enriching

## **Capacity Building:**

The university is committed to capacity building by enhancing the skills and competencies of its faculty, staff, and students. This includes continuous professional development programs, training workshops, and opportunities for advanced study. By investing in the growth and development of its academic community, DSVV ensures that its members are well-equipped to contribute to the university's mission and to society at large. The aim is to develop a workforce that is competent, ethical, and capable of leading in various professional and spiritual contexts

## **Connecting with Stakeholders:**

DSVV actively engages with various stakeholders through several initiatives:

**Startup Partnerships:** The University fosters entrepreneurship by partnering with startups, providing students with opportunities to engage in innovative projects and gain practical experience.

**Academic Partnerships:** Collaborations with other educational institutions, both national and international, enhance the academic environment at DSVV. These partnerships facilitate student and faculty exchanges, joint research projects, and shared resources.

**Engagement with Society:** The University encourages its students and faculty to participate in community service and outreach programs. This engagement ensures that the knowledge and skills gained at DSVV are applied for the benefit of society, promoting social welfare and development.

**International Collaboration:** By partnering with over 35 international institutions, DSVV enriches its educational offerings and broadens the cultural and intellectual horizons of its students. These collaborations include joint research initiatives, academic exchanges, and participation in global networks focused on cultural and spiritual development.

## **Academic Plan and Strategy**

Dev Sanskriti Vishwavidyalaya (DSVV) has implemented a series of academic strategies aimed at fostering multidimensional growth, skill enhancement, entrepreneurship, and the promotion of indigenous research. These strategies are designed to align with the university's mission of integrating modern education with spiritual values to develop well-rounded individuals capable of making significant contributions to society.

### **1. Multidimensional Growth**

DSVV focuses on the holistic development of its students by providing a curriculum that balances academic learning with personal and spiritual growth. The university's approach to education goes beyond traditional academics, incorporating elements such as yoga, meditation,

and life management skills. This ensures that students develop not only intellectually but also emotionally, spiritually, and physically. Programs in diverse fields such as human consciousness, yogic science, psychology, environmental science, and holistic health reflect this commitment to multidimensional growth (Dev Sanskriti Vishwavidyalaya) (Dev Sanskriti Vishwavidyalaya).

## **2. Skill Enhancement, Incubation, and Entrepreneurship Development**

To prepare students for the dynamic demands of the modern workforce, DSVV emphasizes skill enhancement and entrepreneurial development. The university offers various training programs and workshops aimed at developing essential skills such as critical thinking, problem-solving, leadership, and communication. Additionally, DSVV has established incubation centers that support students in turning their innovative ideas into viable businesses. These centers provide mentorship, resources, and networking opportunities to budding entrepreneurs, fostering a culture of innovation and self-reliance among students.

## **3. Improvement of Academic Delivery**

Continuous improvement in academic delivery is a key strategy at DSVV. The university employs modern teaching methodologies, including the use of information and communication technology (ICT) in classrooms, to enhance the learning experience. Faculty members are encouraged to adopt innovative pedagogical practices and engage in regular professional development. The university also focuses on maintaining high standards of research and teaching, ensuring that students receive quality education that is both relevant and comprehensive.

## **4. Promotion of Indian Indigenous Research**

DSVV is dedicated to promoting research that draws upon India's rich cultural and spiritual heritage. The university supports and encourages research in fields such as Vedic sciences, Ayurveda, yogic science, and other traditional disciplines. By integrating these ancient wisdoms with contemporary scientific approaches, DSVV aims to contribute to the global knowledge base while preserving and revitalizing India's indigenous knowledge systems. This strategy not only fosters a sense of pride in India's heritage among students but also positions the university as a leader in the field of traditional and modern interdisciplinary research.

Through these academic strategies, Dev Sanskriti Vishwavidyalaya aims to create an educational environment that nurtures well-rounded individuals equipped with the skills, knowledge, and values necessary to make meaningful contributions to society and the world.
