List of Changes

In MA-JMC PG program minor changes were made as per NEP June 2024 Credit and Curriculum Framework guidelines for PG Program –

- **Credit limit** applied to all papers.
- **LTP structure** revised accordingly.
- **Dissertation work** added in 3rd semester, for which synopsis will be prepared during semester 2 under the supervision of allotted guide while studying communication research.
- **Professional Internship** introduced in 4th semester, under which students will work with media houses for 3 months and the report will be evaluated in the final exam.
- **DSEs** offered in 3rd semesters.

BOS was of the opinion that keeping in the view of 3 months internship in the 4th semester, teaching of courses being offered in the given semester may not be affected. As such, the department may go for longer hours of teaching sessions so as to complete the offered credit hours. Moreover, the department may suggest a few courses equivalent in nature and credit of the courses being offered in the semester. If the student opts from the given online/SWAYAM/MOOC courses, he/she must inform the department and after completion of the said courses must submit the certificate of equal credit.
