1.4.2 How the feedback obtained is being analyzed and utilized for overall development of the institution?

The feedback obtained through various stakeholders is being effectively utilized for overall development of the DSVV. Some of the feedback opinion's and its implementation are as follows.

1. We had constructive feedback from the students to establish student groups and clubs. The university administration took prompt action in establishing the student clubs and at present 05 students club are in functioning.
2. There was a feedback from Alumni to explore the student's academic opportunity in Various Countries. This year around 34_students are going under student exchange to abroad. The

DSVV International Relation office is doing commendable work to establish link between various Global educational partners and DSVV.

3. There was a feedback from Alumni to establish Alumni Association in the university and to arrange Alumni program in the university. The process to establish this Alumni Association is in progress and hopefully from Session July 2019 onwards it will be established within the campus.
4. Employers feedback is obtained on the semester end. This is really helpful in establishing more concrete relationship with the industry and moreover there is phenomenal rise in professional internship of various departments. This year 98 Students had participated in professional internship from the department of Tourism, Environmental science, Computer science and Journalism and Mass Communication.
5. The Feedback from the parents is very encouraging in terms of girl's safety and the peaceful environment. There is a rise in number of Girl applications and also the selection of girl's student in this academic year.
6. There was also a feedback request from parents regarding Parents – Teacher association. The university administration has taken this request into consideration and efforts had been made to establish a clear and prompt linkage between DSSV staff and parents. However, the parents had been meeting with the faculties and various Departmental heads related with their ward progress and professional well-being.
7. The teachers had provided the feedback regarding separate accommodation in hostel and family area. This year itself 20 teachers had been shifted to more comfortable and spacious family accommodation.

7.1.7 Initiatives taken by the institution to make the campus eco-friendly

- Yagya is conducted in the University every morning - this is an effective method of purifying the environment.
- The entire university utilizes solar power supply, an effective solution for power conservation.
- Lush green campus – The first thing that catches the attention of any visitor is the campus throbbing with life's variety. The University is home to exotic varieties of birds, flowers, butterflies and rare plants.
- The campus takes dedicated measures to minimize the carbon footprint by Reducing, Reusing, and Recycling its consumption. For example, paper is recycled to make handmade paper, which is further converted to folders, envelopes, files, photo-frames used on campus.
- Dhanvantari Vanaushadhi Vatika is a garden of a large number of medicinal herbs, several of these being rare medicinal plants.
- Rural Management department practices organic farming and medicinal plant cultivation.
- Rural Management department has a cowshed, which uses biogas produced each day for its daily energy needs.
- Regular afforestation drives are conducted by the students and staff members. Large scale cleaning drives are also conducted on a periodic basis.

7.2 Best Practices

- The Theology students (School of Humanities) and Rural Management students (School of Rural Management and Sustainability) are effectively working in some nearby villages to promote de-addiction, education, entrepreneurship and gender sensitization.
- The DSVV Innovation cell is likely to be introduced into the university by this year. A separate proposal is being submitted to the Government for the same.

- The Software Development Cell was introduced to provide the students and staff an opportunity to develop new software and products. The students are also coming up with varied research proposals under green computing center.
- Earn while you learn - Srijna, is providing ample support to the students from economically backward sections. Students are getting hands on experience on preparation of rugs, jute bags, and greeting cards.
- Students are also motivated to represent their creative writing skills through University news bulletin – Sanskriti Sanchar and Hindi Centre magazine Gyan Prabha

7.3 Institutional Distinctiveness

- A unique centre of higher education, learning and research set in the Himalayan surroundings. The lush green campus of the University is infused with spiritual ambience to accomplish the institutional vision of confluence of vedic wisdom and contemporary knowledge.
- The educational ethos of the University is based on the teachings of Pt. Shriram Sharma Acharya ji (1911-1990), who was a ground breaking scholar, revolutionary seer and a great visionary. He had a vision to create an educational institution that could mould its students into noble and enlightened human beings. His vision serves as the motto statement for DSVV and inspiration for other educational institutions.
- The University follows an exceptional set of curriculum that includes commencement of some pioneering disciplines, such as Life Management, Scientific Spirituality that facilitates comprehensive development of students.
- The University has adopted some innovative practices in the form of Samaydaan (donation of time and talent by learned individuals) and Anshdaan (donation of resources by socially conscientious individuals). The students of the University undertake mandatory Social Internship in different parts of India.
- The teaching-learning process is enhanced and enriched by implementation of some novel practices such as weekly classes by Honorable Chancellor, spiritual study circles, youth initiative DIYA, honesty counter. All these practices have proved to imbibe human values in students on campus.

8 Future Plans of action for next academic year (500 words)

- To strengthen the school's structure and to shape them as individual entity.
- To commence the international acclaimed program at DSVV with international faculty.
- To establish incubation cell so as to improvise high standard research in the university.
- To promote and propagate indigenous programs for foreign students.
- To organize summer & winter internship program for the promotion yogic science and Indian culture.
- To bring more prominent and world class scholarships like Erasmus +, full bright scholarships for DSVV faculties and students.
